

Thank you for your interest in becoming a Children's Centre Foundation Thunder Bay volunteer. We believe it will be a rewarding experience and provide an opportunity to be proactively involved in improving children's health and wellness.

Children's Centre Foundation is a dedicated group of individuals who volunteer to discuss, plan and facilitate fundraising initiatives which support *children's, developmental, behavioural and mental health services. These services include, but are not limited to; speech and language, counselling and therapy, youth groups, parenting programs and school based services. (JK-12)

Currently the Children's Centre Foundation has two main opportunities for volunteers to assist in our mission. The first, is by joining an event committee Event committee members help plan and execute special events and individual fundraising activities within the community. These activities are held throughout the year and include documenting budget information, developing sponsorship opportunities and collaborating with various venues to ensure the events success. In addition, Children's Centre Foundation is a member charity at Superior Shores Gaming Association. As a member of this charity group, volunteers represent the CCTB Foundation for various shifts within the hall and in turn, the charity receives a portion of the shares for our organization. This role requires walking around collecting bingo cards, calling back bingo numbers and basic cleaning within the establishment. Please note that volunteers are not required to sell items or handle cash, and representatives must be 18 years of age or older to enter the premise. The times of the shifts range from 11am – 1am and are 2 hours in length. It is a wonderful way to support the Foundation and a branded shirt will be provided.

Children's Centre Foundation is an inclusive, diverse group and are committed to providing accommodations. If you require an accommodation, we will work with you to meet your needs. If you are ready to make a difference, and are interested in the above opportunities, or have any questions or concerns, please contact the Foundation Coordinator, Dayna Pupeza at (807) 343-5035 or via email at dpupeza@childrenscentre.ca.

Thank you again for your time and interest in Children's Centre Foundation Thunder Bay.

Sincerely,

A handwritten signature in cursive script, appearing to read "D. Pupeza".

Dayna Pupeza
Foundation Coordinator
On behalf of the Children's Centre Foundation Board of Directors

*The word children includes infants, children, youth, adolescents and young adults age birth to 21 years of age.
